

NORTHWEST CONDOMINIUM LIVING

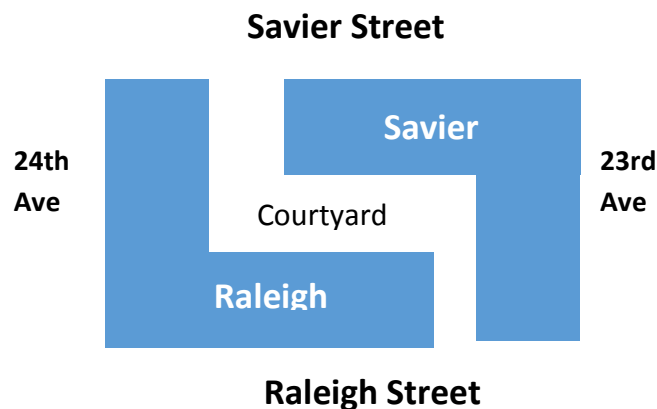

Window Washing Notice

**STARTING JUNE 28, 2018
8:00 AM – 5:00 PM DAILY**

Owners are responsible for removing their window screens. If you are planning to be out of town, we recommend you remove and store your screens before you leave, as your windows will not be cleaned if the screens are on them.

IF YOU ARE PHYSICALLY UNABLE TO REMOVE YOUR OWN SCREENS, CMI WILL ARRANGE FOR SOMEONE TO ASSIST YOU FOR A FEE.

Work will begin in the courtyard, move to the Savier side and then counter-clockwise until completion.

A daily schedule will be posted in the lobbies so that you are aware of the progress and any weather-related delays. The work is anticipated to take approximately 3 weeks to complete.

**IF YOU FIND THE CLEANING TO BE UNSATISFACTORY, PLEASE CONTACT
COMMUNITY MANAGEMENT, INC. AT 503-233-0300.**
